

made. The Committee made two specific recommendations which follow.

- (1) That the League agree that Matron must be the embodiment of courtesy to all with whom she deals.
- (2) That the Matron be responsible for keeping girls in the Home, and that no one be dismissed until the proposed dismissal is brought to the attention of the Home Committee.

The Executive Secretary pointed out that it was absolutely necessary that he be kept informed as to the plans of the Committee, its meetings, etc., if the best results of cooperation are to be obtained.

Finally may I call your attention to the following fact. According to our Constitution we must elect new officers and members of the Board the first of the year. A nominating committee must be sent out at our December meeting. It is very necessary therefore, that each one of us begin to think of persons who would make good Board members. We should also have in mind some persons for Trustees, a matter which has already been too long delayed.

Yours respectfully,

Executive Secretary.
